

Holiday Let Risk Appetite

We can accommodate most types of short-stay accommodation portfolios anywhere in the UK, provided there is at least one permanent structure, including:

- Single & multi-property portfolios
- Holiday lets/ holiday homes
- Purpose-built lodges & cabins
- Converted barns and buildings
- Yurts, pods, and shepherd's huts (provided there is also a permanent structure)
- Diversified farms operating holiday lets
- Apartments
- Properties let on Airbnb, Vrbo, and other holiday rental platforms

Our policy can also accommodate the following:

Holiday lets with leisure facilities (indoor & outdoor pools, games rooms, hot tubs, spa facilities, saunas, steam rooms, cinema rooms, BBQs & outdoor kitchens, log burners, children's play areas).

Varied occupancy types - the policy allows for flexibility between holiday let use and standard residential lets on an Assured Periodic Tenancy.
